

For 40 years, RLH has successfully partnered with entrepreneurs to help scale distinctive, fast-growing services companies.

Investment Criteria

Objective

We seek to partner with entrepreneurs whose companies provide highly valuable services — often enhanced by software — to design, implement, monitor and manage programs that keep their clients at the forefront of ethical, responsible, secure and legally compliant business practices.

Why RLH?

RLH invests in rapidly growing companies that deliver high-value solutions and services to business, healthcare, and government clients. Our investments support firms whose primary assets are uncommonly talented people and whose management has built a culture that consistently attracts and retains those individuals. We provide capital and assist management teams as they navigate opportunities and challenges of driving rapid growth in a knowledge-based economy.
